£185,000

REF: PWG1747

APARTMENT | STUDIO | 1 BATH

PROPERTY DESCRIPTION

ARENCO'S GARDENS The development has been designed thoughtfully with extensive consideration given to the environment and its carbon foot print, generating a high rating energy performance certificate for each dwelling. The creation of such an eco-modern and inviting living experience is unparalleled in Gibraltar. The super-structure will be enclosed with YTONG masonry panels which are made from 100% ecologically green material - These give both high thermal and decibel protection and are moisture and fire resistant. Security entrance doors will be provided, with internal veneered timber doors and wardrobes to match. Low energy LED lights will be fitted throughout.
